PRESENTED BY FRONT RANGE THEATRE COMPANY

A NOTE FROM THE DIRECTOR

Welcome to our electrifying production of **FOOTLOOSE!** This production is a celebration of freedom, rebellion, and the power of music to break down barriers. It's a story that resonates with people of all ages, reminding us of the importance of self-expression and challenging societal norms. Through the infectious energy of the music and the passion of our incredible cast, we aim to transport you to the small town of Bomont, where a group of young people are determined to dance their way into the hearts of their community.

None of this would have been possible without the tireless dedication and creativity of the Front Range Theatre staff. They have been an integral part of this production, working behind the scenes to bring the vision to life. Their commitment to excellence and their support have been instrumental in making this show a reality.

I would also like to express my deepest gratitude to the talented cast and crew, who have poured their hearts and souls into their performances. Their talent, energy, and unwavering commitment to their characters have made this journey truly extraordinary. They have spent the last twelve days perfecting their dance moves, honing their vocal skills, and delving into the emotional depths of their roles. Their dedication has been awe-inspiring, and I am immensely proud of each and every one of them.

Finally, I would like to extend my sincerest thanks to you, our incredible audience. Your support and enthusiasm are what make live theatre so special. It is your presence and engagement that breathe life into the performances and create a unique connection between the stage and the seats. We hope that Footloose will leave you feeling inspired, uplifted, and ready to let loose and dance your heart out.

Cut loose, have fun, and thank you for being a part of this incredible journey!
